PREFACE

Federation Internationale de Football Association (FIFA)

Soccer's world governing body is the Federation Internationale de Football Association (FIFA), which is headquartered in Zurich, Switzerland. The delegates of the associations of France, Belgium, Denmark, the Netherlands, Spain, Sweden and Switzerland signed the articles of foundation. In 1905, the English Football Association enrolled in FIFA along with Scotland, Wales and Ireland.

FIFA is comprised of each country's national soccer associations and is responsible for promoting and organizing the game of soccer throughout the world. FIFA also determines the basic playing "Laws of the Game." Those Laws are available from the Federation in a special booklet. Today more than 150 million people throughout the world play soccer and in a given year up to one million referees officiate more than 20 million matches. FIFA governs all aspects of the game.

United States Soccer Federation (USSF)

United States Soccer Federation (USSF) is the national governing body for all levels of soccer in the United States. It was formed in 1913 and affiliated with FIFA the following year. U.S. Soccer is also recognized by the United States Olympic Committee (USOC) as provided in the Amateur Sports Act of 1978. The Constitution, Rules, Policies and Procedures of the Federation have evolved over a period of time to govern the game of soccer and protect the interests of all participants, players, officials, administrators, clubs, leagues, national state associations and the Federation. Therefore, they must be accepted and observed by all members of the Federation until changed in accordance with the procedures provided therefore. USSF governs the following:

Minnesota Youth Soccer Association (MYSA)

Mission

Minnesota Youth Soccer Association promotes the game of soccer for all youth players in Minnesota. We promote the importance of education, self-esteem, diversity and teamwork in a safe, fun environment, allowing players to develop to their fullest potential in soccer and life.

National Charge to Provide Opportunities Throughout the State

Each National State Association has the responsibility to provide and coordinate opportunities for every player in every part of its assigned territory to play soccer at the developmental, intermediate and advanced levels.

Programs

RECREATION PROGRAM

Recreational soccer provides youth players with the opportunity to play in an appropriate environment. The focus of recreational soccer is toward participation and fun over competition. Recreational soccer is a learning program for youth players organized within their Member Club.

RECREATION PLUS PROGRAM

Recreation Plus is a program designed to allow the recreational player an opportunity to participate in sanctioned activities involving teams outside their Member Club.

MYSA COMPETITIVE LEAGUE PROGRAM

The Competitive League program includes a varying number of structured groups of four or more teams joined for the purpose of inter-team play under a common set of administrative and competition policies defined in the following sections of this document.

MIDWEST REGIONAL LEAGUE

This is an invitation-only interstate sanctioned league for U14 – U18's administered by US Youth Soccer Region II.

DISTRICT SELECT PROGRAM

This is an ODP experience offered for 11-13 year-old players. A State Select pool of up to 36-50 players per birth year attends a regional camp in the summer.

This pool is selected through district tryouts and a festival conducted in the fall. Districts train 4 to 6 times for approximately a month under the supervision of district coaches. In the late fall all the districts meet for a one day festival at which time the state staff selects the pool.

The district select program allows for sustained training and identification for the youngest age group of the ODP.

STATE SELECT/OLYMPIC DEVELOPMENT PROGRAM (SS/ODP)

The mission of the State Select/ODP is to identify those players in the state with high ability and potential. These identified players will then be coached, developed and presented to the US Youth Soccer regional and national coaching staff at the annual regional camps where they are evaluated and further developed for possible qualification and participation on regional and national teams.

The state program holds tryouts in the spring. Pool teams consisting of approximately 24-30 players are selected by birth years (January 1 through December 31). Eligible players will turn 14 to 18 sometime during the year. Prior to regional camps, pool teams are reduced to 18 player travel rosters. These 18 players will attend the summer regional camp. Benefits for the players include:

- a. An opportunity for recognition and selection to regional and national squads;
- b. Development through training conducted by state and regional staff coaches in addition to interstate competition.

INDOOR PROGRAM

Starting after the 2003 Fall Season, MYSA may sanction Indoor Programs. Currently MYSA does not sanction indoor league play.

PLAYER/ADULT PROTECTION PROGRAM

Minnesota Youth Soccer Association has adopted the US Youth Soccer *Kidsafe* Program. Information regarding the program and the implementation by the Member Club can be obtained from the MYSA State Office. All Member Clubs and their administrators, coaches, and other registered adults are subject to MYSA's Player/Adult Protection Program including completion of an informed consent/disclosure statement.

Hospital, baptismal or religious certificates will not be accepted.

1.3.3.3 PLAYER REGISTRATION ON A TEAM AT AN OLDER AGE LEVEL

- a. Players are encouraged to register in their appropriate age group. However, unless otherwise provided in these policies, players will be allowed to register at an older age level at the discretion of the Affiliate or Extraterritorial Member registering the team.
- b. U8 and younger players may not register on a U11 or older team.

1.3.4 Player Transfer and Release

1.3.4.1 PLAYERS BOUND TO MEMBER CLUB

- a. A player is registered to an Affiliate Member or Extraterritorial Member the moment the player (or for a player less than 18 years of age, the player's parent or guardian) personally or electronically signs the Affiliate Member's or Extraterritorial Member's registration form and submits a portion of, or the full amount of the fees required by the Affiliate Member or Extraterritorial Member, subject to 1.3.4.1.b. Affiliate Members or Extraterritorial Members may collect a separate tryout or evaluation fee and may require completion of a separate tryout or evaluation registration form solely for the purposes of tryouts, evaluations or other similar events. Completion of only a separate tryout or evaluation form does not bind either party to the Affiliate or Extraterritorial Member.
- b. The open period for registered players who are considering playing for any Affiliate Member or Extraterritorial Member in the following season begins the day following completion of the final match of the MYSA State Tournament. Affiliate Members and Extraterritorial Members, their administrators, board members, coaches (paid or unpaid), parents, independent contractors and/or entities used for purposes of administering tryouts, evaluations or other similar events used to form teams for the following soccer season may not schedule such an event until the day following completion of the final match of the MYSA State Tournament. Tryouts or evaluations are allowed for U9 and U10 teams once league play is completed since there is no State Tournament for U9 and U10 teams. Advertisements, emails or other forms of communication announcing tryouts, evaluations or other similar events by

any Affiliate or Extraterritorial Member are not subject to the restriction. An Affiliate or Extraterritorial Member found in violation of this rule will be fined in accordance to the MYSA Fees & Fines schedule set by the Board of Directors. Individuals involved in the organization and/or running an event in violation of this rule are subject to sanctions: verbal or written reprimand, game(s) suspension, partial or full season suspension, temporary or permanent suspension. Recruiting a player who is bound to a club is also prohibited.

1.3.4.2 PLAYER TRANSFER OR RELEASE REQUIREMENTS

- a. Once registered with a Member Club, a player is bound to the team to which the Member Club has assigned the player for that soccer season, except as otherwise provided by MYSA Bylaws or these policies.
- b. A registered player not assigned to a team by his/her Affiliate Member or Extraterritorial Member at least three weeks prior to the MYSA team registration deadline must, at the player's request, be released.
- c. A registered player may request a transfer from his/her Member Club. Transferred players must be released by the original Member Club before the player may be registered by another Member Club.
- d. Member Clubs must allow player transfers for the following reasons:
 1. Player relocation to a different community that exceeds a reasonable travel distance; or,
 2. Player's desire to play on a team in a more competitive division than that offered or available with the player's current Affiliate Member. If the transferred player is registered by the receiving club at the same or lower competitive division where the player was transferred from, the transfer will become null and void.
- e. Upon request, a player may be voluntarily released by an Affiliate Member.
- f. Inter-Club transfers (from one Member Club to another) must be submitted in writing on the appropriate form, signed by both Member Clubs and must be approved by the appropriate Competitive Representative of the original Affiliate Member's or Extraterritorial Member's home district.
- g. Transferred players, who have been issued member passes without the proper and fully executed transfer forms, are not eligible to play and will be considered illegal players until the fully executed form is on file at the MYSA office. It is the responsibility of the club receiving the transferred players to ensure that all the paperwork required is properly signed and filed with MYSA.

1.3.4.3 LIMITS ON DROPPED PLAYERS

- a. A dropped player is one who is involuntarily released by a Member Club and not put on another team sponsored by that Member Club. After the Member Club assigns players to a team, no team may unilaterally drop more than 3 players unless players fall within guidelines for Premier team formation.
- b. The Member Club's registrar and the MYSA office must be notified of a dropped player.
- c. A player that has been injured and cannot continue to compete in the remaining season at the time of the request, as certified by a medical doctor, at the Member Club's option, may be dropped. This dropped player will not count towards the number of dropped players.
- d. A player that voluntarily drops from any Member Club's team will not count towards the number of dropped players for that team as long as the member pass is surrendered to MYSA accompanied by a Voluntary Drop Form. The player in question may not join any other team for the duration of the playing season when the drop occurred.

1.3.4.4 Addition of Players

- a. Any team may add players not previously registered to another affiliated member at any time during the soccer season as provided by the guidelines listed below:
 1. Team does not have a complete roster as defined for each age group. This rule cannot be used to over-roster players.
 2. Team has not dropped any players from their roster, as defined in 1.3.4.3., unless a medical doctor certifies that the player(s) dropped will not be able to play the remainder of the season from the time of the request or the player has dropped voluntarily. The member pass(es) of the dropped player(s) must be surrendered to the MYSA office before any new member pass(es) may be issued.

Players previously registered to teams that have folded are eligible to be added to a team. A player is eligible to play 5 days after the registration has been received by MYSA.

1.3.5 Affiliate Member Responsibilities

- a. A Member Club is responsible for assigning a player to a team. A player shall be assigned to only one youth team at a time in a soccer season except as described in section 6.3.c.
- b. A Member Club who intentionally submits false or inaccurate information to affect a player registration or transfer or prevent an otherwise legitimate player transfer will be subject to disciplinary actions.
- c. The 21-Day Policy for Players begins the moment a player signs a club registration form, submits a registration fee and/or submits a tryout fee. An Affiliate Member (club) shall have twenty-one (21) days to submit the registration and associated fees (primary registration fee) to the MYSA State Office for the player to receive insurance coverage. If the registration and associated fees are not submitted within twenty-one (21) days, insurance coverage will not commence until the registration and associated fees are submitted.

1.4 Team & Coach Registration

1.4.1 MYSA Competitive League Team Registration

- a. In order to register a team for MYSA competitive league play, the Member Club must pay the appropriate fee and submit required information in a format specified by MYSA.

- c. U13–U15 teams must have at least 11 and no more than 18 players to register as a team. U16-U19 teams must have at least 11 and no more than 22 players to register as a team.
- d. Club Presidents and the Competitive Committee as described below in sections 4.2.2.2 and 4.3.2.2 may grant exceptions to maximum roster size.
- e. A fine will be assessed to the Member club for each team dropping from a league after the schedule is set. This fine is in addition to the forfeit of any team or player registration fees previously paid or due.
- f. Team status earned during the previous spring/summer season play at all levels, Premier, C1, C2, C3 and any other levels that may subsequently be added, will remain with the sponsoring club. Team rosters will have no restriction on the number of returning players, unless that team decides to play MRL. In that case that team roster must match at least 75% of the team that plays MYSA league or it forfeits its league spot/status. In the event an affiliate or extraterritorial member club with the MYSA becomes disaffiliated for any reason, a team's status earned in the previous summer season will be allowed to transfer to another MYSA affiliate or extraterritorial member club in good standing. The number of players registered from the team, for the new club, must be greater than 75% from the previous summer season roster.
- g. If at any time, a competitive status becomes more selective and/or difficult to obtain, it cannot occur until one full soccer year after the AGM where the rule was passed. This would also include any motion of the Board of Directors. Note: Competitive status refers to Premier, Classic and Midwest Regional Leagues.

1.4.2 Tournament-Only Team and Tournament Team Registration

1.4.2.1 TOURNAMENT-ONLY TEAMS

- a. In order to register a Tournament Only Team the Member Club must pay the appropriate player and team fees and submit required information in a format specified by MYSA by the published date.

Any registered adult who may work with players in a coaching capacity must have a laminated properly prepared pass with his or her photo and signature.

1.5 Youth Participation in Adult Games

Youth players will be allowed to play an unlimited number of adult games without losing their youth eligibility provided the following procedures are followed:

- a. The player must be registered with an MYSA team, and have a member pass.
- b. A youth player may have an Adult member pass at the same time he/she holds a youth member pass.
- c. Procedures for receiving permission to play Adult:
 1. Fill out MYSA's Application for Youth Participation in Adult Games. This must be signed by the player's youth coach.
 2. Mail or bring the completed application and the player's current US Youth Soccer member pass to the State Office.
 3. The MYSA pass will be marked so it will be identifiable as authorized to play adult.
 4. In the event of a conflict between an adult game and a youth game, the youth game will take precedence.
 5. All send-offs will be served in the league they were issued.
 6. A player who plays in an adult game without a properly approved member pass will be subject to a 2-game suspension on the youth team on which he/she is registered.

All fees shall be determined annually by the Board of Directors.

2.0 MYSA RECREATION PROGRAM

2.1 General Policies for Recreational Play

The MYSA Recreation Director oversees the Recreation program, a series of Member Club leagues in which:

- b. Affiliate Members must accept as participants any and all eligible youth (subject to reasonable terms of registration);
- c. A system of rostering players is employed for the purpose of creating a fair or balanced distribution of playing talent among all teams participating; and
- d. Each player plays at least ½ of each game except for reasons of injury, illness or discipline.

2.2 Recreational Programs

Affiliate Members may conduct recreational programs for USSF registered players without forming teams. These may consist of such things as player development clinics, training sessions, scrimmages or similar. Formal teams need not be established for these activities; players may be divided into groups as appropriate at each session. Affiliate Members may conduct cooperative programs with other Affiliate Members.

3.0 MYSA RECREATION PLUS PROGRAM

3.1 General Policies for Recreation Plus Play

The MYSA Recreation Director oversees the Recreation Plus program. Recreation Plus is an intermediate program designed to allow the recreational player an opportunity to participate in sanctioned activities, such as games involving teams outside their Affiliate Member, including participation in invitational tournaments to play competitive teams.

3.1.1 Intra-Affiliate Member or Inter-Affiliate Member Recreation Plus Programs:

- a. The use of tryouts, invitations, recruiting or any like process to register players selectively to any team on the basis of talent or ability is prohibited; and
- b. Affiliate Members must accept as participants any and all eligible youth (subject to reasonable terms of registration).

3.1.7 Invitational Tournament Participation

When attending invitational tournaments the team and its players are subject to the policies of that particular tournament.

3.1.8 Recreation Plus Player Registration

Recreation Plus players may only be registered on one recreation plus team at a time; however, a recreation plus player may simultaneously be a member of a recreational team within his/her Affiliate Member. Recreation Plus players may play up on a competitive team subject to the restrictions contained in the *MYSA Policies & Rules Manual*.

3.1.9 Recreation Cross Play

Recreation Plus players may not play across to another recreation plus team within or outside their Affiliate Member. Recreation Plus players cannot be simultaneously registered with two or more Affiliate Members.

- (5) be completely laminated front and back.

4.1.2.2 USE OF MEMBER PASSES REQUIRED FOR GAMES

Participants who have served out a suspension may use their properly signed *MYSA Ejected Participant Report* while waiting for the return of their member pass from the MYSA office. See section 7.12.1.b.3.g.
- b. The referee shall confiscate member passes that do not comply with Section 4.1.2.1 and mail the confiscated member pass with the completed Competitive Match Report to the MYSA office.

- c. In the case of a new submittal or lost member pass, the club's registrar or any person authorized by the club must submit a request for a replacement pass on the proper form to the MYSA office at least 48 hours in advance. NOTE: No pass, no play.

4.1.3 Illegal Player

4.1.3.1 DEFINITION

An illegal player is defined as any one of the following:

- a. playing for more than one team at the same age level and in the same division;
- b. registered for more than one competitive league team;
- c. playing for teams from more than one Affiliate or Extraterritorial Member;
- d. non-registered, or registered using unacceptable proof of age;
- e. over-age;
- f. serving suspension;
- g. using another member's pass;
- h. using a photocopied or tampered member pass;
- i. participating in a game without presenting a proper member pass or properly using an *Ejected Participant Report*;
- j. nonresident under the definition in section 1.3.1 above; or,
- k. any player not on the roster as certified and frozen by MYSA officials in MYSA league playoffs, regionals and state tournament.

4.1.3.2 SANCTIONS

- a. Any team using an illegal player shall forfeit the games in which that player takes part. Teams awarded trophies or medals must relinquish them.
- b. Any coach, manager or official using or attempting to use an illegal player shall be subject to sanction or suspension.
- c. Any player who participates or attempts to participate as an illegal player shall be subject to sanction or suspension.

4.1.4 False Information

- a. A player found to have registered using incorrect birth information shall be subject to sanction or suspension.
- b. An individual who submits false information to the MYSA relevant to a player's identity, birth information, past or present status with an Affiliate or Extraterritorial Member in order to register a player or to effect a player transfer, is subject to sanctions that may include verbal or written warning, fines, suspension and/or temporary or permanent banishment.

4.1.5 League Schedules

- a. The Competitive Committee sets league schedules.
- b. Fall league games will be scheduled to be played on Saturday and/or Sunday. Summer league games may be scheduled to be played on any day in conformance with the published schedule of playing days.

4.1.5.1 FORFEITS AND FINES

The Board of Directors will publish a schedule of specific fines yearly.

- a. **Simple forfeit:** an attempt is made to play the game.
- b. **Willful forfeit:** no attempt is made to play the game.
- c. **Failure to report scores:** if neither team reports the scores of a game via the website before the published deadline, the match shall be treated as a forfeit for both teams for the purpose of calculating standings and each team shall receive a fine.
- d. All fines accumulated by a team must be paid before the start of League Playoffs.

- e. Fines collected will be divided between the District and the Affiliate or Extraterritorial Member winning the forfeit, except in the case of a dual forfeit.

4.1.6 Rescheduling missed games

All registered teams have the right to play their scheduled league games. It is the intent that games are decided on the field of play; therefore, every attempt should be made to play a game rather than have it won by forfeit. Exhibition games may be cancelled without reschedule, forfeit or penalty upon mutual agreement of the two team head coaches and approval of their club Presidents. Teams choosing to cancel exhibition games will inform MYSA and the home club's field coordinator at least one week prior to the scheduled game. Failure to inform MYSA and the home club's field coordinator one week in advance will result in a forfeit if the game is not played (see Section 4.1.5.1).

4.1.6.1 ANTICIPATED RESCHEDULES

a. General

1. Coaches must assess player availability on scheduled league nights before the season begins and request to reschedule games for which they will have fewer than eleven players. Teams are strongly encouraged to use call-up players rather than request a reschedule.
2. All requests to reschedule for anticipated events (including but not limited to tournaments, school events, soccer camps, work schedules, and vacations) must be made within a two-week grace period after the league schedule is made available to the coach (usually at the preseason coaches' meeting).
3. Teams that request that games be rescheduled after the two-week grace period are not entitled to a mandatory reschedule and un-played games will be assessed as a forfeit.
4. No request must be honored if made less than 72 hours before the scheduled game time.
5. The two coaches must make a good faith effort to identify a mutually agreeable reschedule date, with the burden on the team making the request to accommodate the responding team. In case agreeable date cannot be found, the procedure described in section 4.1.6.3 will be followed. If the coaches are at an impasse in agreeing upon a suitable reschedule, the appropriate Competitive Representative or his/her designee must be notified by the head coach or team manager of both teams at least 24 hours prior to the original scheduled game date.
6. Any rescheduled game requires that both coaches complete a reschedule on the MYSA website. After completing, game details will be sent to club officials and the appropriate Competitive Representative regardless of the reason for the reschedule. The MYSA website will also reflect the new game date.
7. If a coach believes that the number of requests is burdensome, he or she may appeal to the appropriate Competitive Representative.
8. All games must be played before the date set by the Competitive Committee for the end of league play. Forfeits will be assessed for all unplayed games; the Competitive Representative will determine the nature of the forfeit.

b. Tournaments

1. Teams that request that league games be rescheduled due to US Youth Soccer National Championship Series-MYSA State Cup or US Youth Soccer National Championship Series US Youth Soccer Region II Championships play shall be honored upon a 72-hour notice.

4.1.6.2 UNANTICIPATED RESCHEDULES

- a. In cases where the game cannot be played because of field or weather conditions or referee availability and no advance warning (less than 72 hours) can be given to the visiting team, the game must be rescheduled within 48 hours. Teams must contact the Competitive Representative or his/her designee using the appropriate rescheduling form.
- b. In the case of adverse weather conditions, or when field conditions caused by recent weather pose either risk to players or risk of damage to the field, the game will be rescheduled to the home team's fields.
- c. Other than (**as in 4.1.6.2.b**), the game will be rescheduled to the visiting team's home fields, if available, and the original home team will pay the referee fees (before the start of the game) and any field costs incurred as a result of the reschedule if:
 1. no qualified (*see sec. 7.5.1G*) registered referee appears at the home team's field;

2. the field is unavailable due to scheduling conflicts;
 3. the referee determines that the field is unplayable (not simply a rain-out) or a goal or goals are not anchored and the game cannot be played;
 4. the home team had advance warning that the field or referees would not be available and did not inform the visiting team at least 72 hours in advance;
 5. other similar circumstances as determined by the Competitive Representative or his/her designee.
- d. If the coaches are at an impasse in agreeing upon a suitable reschedule date, the appropriate Competitive Representative or his/her designee must be notified by the head coach or team manager of both teams, within 96 hours following the original scheduled game date.

4.1.6.3 PROCEDURE TO RESCHEDULE GAMES

- a. All requests for rescheduling will be directed to the Competitive Representative or their designee for approval. Two teams may reschedule a game at any time if it is mutually agreeable to both teams. In such cases the teams should identify a date to play the game within 48 hours of the request and the game must be played before the end of league play. Games that are not played will be assessed as forfeits. The burden is on the requesting team to ensure that the game is rescheduled.
- b. If no agreeable reschedule date is found between the two teams and it is required that the game be rescheduled as defined above, the Competitive Representative or his/her designee will assign a playing date and time in the following manner:
 1. The team asked to reschedule will provide a good-faith list of five dates and times they are available to play the game. If it is to be the home team, these dates and times should be cleared in advance with their field and referee schedulers.
 2. After consultation with the team originally making the request, the Competitive Representative or his/her designee will assign date, place, time, game is to be played. There is no assurance that the chosen date will be completely acceptable to the requesting team—the burden is on the team making the request to accommodate the opposing team. Teams may be required to play multiple games in a day.
 3. If one team fails to appear for the game, an automatic loss will be assigned that team. This is considered a willful forfeit and will result in a fine.
 4. If both teams fail to appear, a loss will be recorded for both teams. This is considered a willful forfeit and will result in a fine for each team.

4.1.6.4 GAMES MAY NOT BE DOUBLE COUNTED

No games -- tournament or league -- can be played as one game counting for two or more games.

4.1.7 Affiliate Member, Coach, Player and Fan Responsibilities

4.1.7.1 HOME TEAM RESPONSIBILITIES

- a. The home team is responsible for scheduling referees through a registered referee assignor, marking fields, placing corner flags and putting up nets on goals that are anchored. The home team must also provide a ball that is acceptable for play. It is suggested that in advance of a game, coaches should contact each other to be sure time and directions are clear.
- b. Incidents of using unregistered referees and unprepared fields, including fields on which the goals are not anchored, can result in fines, forfeit of games or cancellation of schedule. The respective Competitive Representatives are responsible for making sure that proper procedures are followed. At their option, they may institute remedial action that may include the assignment of qualified referees and moving games to adequate sites. The costs associated with such actions may be assessed to the offending teams. Complaints concerning improper procedures should be directed to the Competitive Representative by visiting coaches. Competitive Representatives will make determinations of fact and may direct remedial action.
- c. Spectator seating: When possible, the technical area for both teams will be on the same side of the field with the spectators seated on the opposite side.
- d. In the case that the color of uniforms conflicts (as determined by the referee), the home team must change to an alternate color.

4.1.7.2 BEHAVIOR

- a. All players, officials and spectators attending matches are required to observe all MYSA and US Youth Soccer policies. Each Affiliate Member is responsible for the conduct of its players, officials and spectators and must exercise reasonable precautions against disturbances or disorderly conduct before, during and after each match.
- b. Coaches, non-playing players, parents and spectators shall be at least one yard from the touch line and shall stay at least 20 yards from the goal line. No individual will be allowed to run the length of the field except the participants of the game.
- c. The end-of-game ceremony is a soccer tradition and should be honored in the spirit of good sportsmanship. Both teams, including all coaches and players, are to return to the middle of the field for a ceremonial handshake regardless of the outcome of the game.
- d. Incidents of unruly fans or uncontrolled coaches can result in sanctions including, but not limited to, fines, suspensions, forfeit of games, moving games or cancellation of schedule. Coaches should direct complaints concerning improper behavior to the Competitive Representative.

4.1.7.3 ADULT SUPERVISION AT GAMES

- a. All teams must have registered adult supervision. An "adult" is defined as a person who is no longer eligible to play youth soccer. If an Affiliate or Extraterritorial Member's directors approve, youths may coach youth soccer teams if they are under the supervision of a registered adult who is in attendance at games and who is listed on the Competitive Match Report. If a youth (19 or younger) is coaching, he/she must also be registered as the coach. All coaches or any registered adult supervising team activities must have a valid US Youth Soccer member pass.
- b. There will be a minimum of one adult for each team registered with MYSA at the field at all times.

4.1.8 Coaches Guidelines and Responsibilities

4.1.8.1 REPORTING LEAGUE GAME SCORES

- a. Each team must report team scores within 48 hours of each league game or mark the game in the online system as "rescheduled."

They also must remain at least one yard from the touchline.
- c. Any coach found guilty of abuse to a referee, player or member of MYSA will be subject to disciplinary action.

4.2 League Operation U13 and Older

4.2.1 League Organization

4.2.1.1 Under-13 COMPETITIVE DIVISIONS

MYSA provides multiple levels of play, with Classic 1 being the most competitive division and Classic 3 the least competitive. Within each competitive division, there may be one or more leagues. - a. MYSA provides multiple levels of competitive play, with Premier being the most competitive division and Classic 3 the least competitive. Within each competitive division, there may be one or more leagues. The availability of competitive divisions, number of leagues and assignment of teams to those leagues is determined by the Competitive Committee at its discretion.
- b. A team that does not have a competitive rating from the preceding summer season is considered a new team.
- c. New teams will be placed at the lowest competitive division available. New teams can be placed at a higher competitive division at the discretion of the Competitive Committee.
- d. Promotion-Relegation Standards for Classic Leagues
(for promotion – relegation of Premier teams *see section 11.0*)
 - 1. Promotion**

 - b. Classic 2 and Classic 3 teams that score 75 percent or higher of the total number of points possible for their league are automatically promoted.
 - c. Classic 2 and Classic 3 teams that win the Summer State Tournament are automatically promoted.
 - 2. Relegation**
 - a. The last place team in each Classic 1 or Classic 2 league is automatically relegated. If two or more teams tie in points for last place they will all be relegated. The only exception will be if the last place team(s) earn 40 percent or more of the total points for their league; in this case, no team from this league will be relegated.
 - b. Classic 1 and Classic 2 teams that score 25 percent or lower of the total number of points possible for their league are automatically relegated.
- e. The Competitive Committee has the absolute right to change a team's declared competitive division to properly and fairly place teams. At the discretion of the Competitive Committee, a team may be allowed to play at an older playing age than that of the team's players.

4.2.1.3 UNDER-18 AND UNDER-19 COMPETITIVE DIVISIONS

- a. MYSA provides multiple levels of competitive play, with Premier being the most competitive division and Classic 2 the least competitive. U18 and U19 teams may be combined at Classic 1 and Classic 2. Within each competitive division, there may be one or more leagues. The availability of competitive divisions, number of leagues and assignment of teams to those leagues is determined by the Competitive Committee at its discretion. Team assignment at the Classic 1 and Classic 2 competitive division is self-selected. Team assignment at the Premier competitive division is subject to promotion and relegation.
- b. A team that does not have a competitive rating from the preceding summer season is considered a new team.
- c. Team assignment at the Classic 1 and Classic 2 competitive division is self-selected.
- d. Promotion-Relegation Standards for Premier teams (*see section 11.0*).
- e. The Competitive Committee has the absolute right to change a team's declared competitive division to properly and fairly place teams. At the discretion of the Competitive Committee, a team may be allowed to play at an older playing age than that of the team's players.

4.2.1.4 AWARDS

First place awards are given to the team with the best record in each league and sub-division.

4.2.2 League Operational Guidelines

4.2.2.1 NUMBER OF GAMES

The Competitive Committee sets the number of league games.

4.2.2.2 Roster Size

U13-15

- a. Teams at age levels U13 through U15 must have at least 11 and no more than 18 registered players. Club presidents may grant over roster waivers for a maximum of two players. The Competitive Committee may

grant over roster waivers beyond two players after a review of a written request by the Affiliate or Extraterritorial Member.

- b. Over rostering will not be allowed at Classic 1. Over rostering is limited to the lowest division team at an age level.

U16-19

- a. Teams at age levels U16 through U19 must have at least 11 and no more than 22 registered players, with up to 18 players allowed to be checked in and participate in any one match. Club presidents may not grant over roster waivers. The Competitive Committee may grant over roster waivers after a review of a written request by the Affiliate or Extraterritorial Member.

4.2.2.3 LEAGUE STANDINGS

- a. League games that end in a tie will remain as a tie.
- b. League Tie Breakers
 1. To determine team standing within a league, the following procedures shall be used in sequence:
 - a. Highest number of points. Win = 3 points, Tie = 1 point, Loss = 0 points.
 - b. Winner of head-to-head competition (this criterion is not used if more than two teams are tied).
 - c. Winner of most games.
 - d. Goal differential (goals scored minus goals against) in all games, with a maximum of a three-goal differential per game.
 - e. Most goals scored in all games, with a maximum of three goals per game.
 - f. Kicks from the penalty mark.
 2. A forfeit in league play will result in a 3-0 score for the game and counts as a played game.
- c. Effect of Unequal Number of Games on League Standings

In determining league standing, if teams have played an unequal number of games, a calculation will be made for the entire league to compensate for the different number of games played. The calculation is based on awarding 1/2 win and 1/2 loss for each tie and dividing the number of wins by the total number of games played.

For example: League record of Team A is 6 wins, 4 losses, 1 tie (6-4-1) becomes 6 1/2 wins, 4 1/2 losses. Calculation is: 6 1/2 divided by 11 (total number of games played), which equals .591. League record of Team B is 5 wins, 3 losses, 4 ties (5-3-4) becomes 7 wins, 5 losses. Calculation is: 7 divided by 12 (total number of games played), which equals .583. Therefore, Team A, having the higher ratio (.591), is declared the winner.

4.2.2.4 PLAYING UP

- a. A player may play for another team than that to which they are registered an unlimited number of times under the following conditions:
 1. Both teams are registered with the same Affiliate or Extraterritorial Member.

 3. There may not be more than three play-ups in a single game.
 4. Players cannot play for another team at the same age level and competitive division (play across) as the team on which they are registered. Exception: Girls may play across to a boy's team at the same age level where a District has only one competitive division of play and combines age levels within that competitive division.
 5. U11 and older players may not play down below the age level to which they are registered even if they would have been age-eligible to register on that team.
- b. Players on Premier teams may only play up to another Premier team at an older age level.
- c. Players on classic teams may play up to an older age level or more competitive division.

For example: Players from a Classic 2 team may play up to a Classic 1 team at the same or older age level.

4.3 League Operation U9, U10, U11 and U12

The competitive program for U9 and U10 players is considered "developmental" and does not have all of the elements of the competitive program for older players. As described below, scores are not kept, there are no league winners and no state tournament. The competitive program for U11 and U12 will include keeping scores, standings, league winners and state tournament.

4.3.1 League Organization

- a. Players may be assessed for the level of development of their soccer skills, coachability, motivation and team skills.

Midwest teams, boys and girls U-14 through U-18, will be invited to enter the Midwest Regional Leagues (MRL) based upon guidelines set down by the MRL Commission or governing body. The MRL is comprised of highly competitive teams from all states in US Youth Soccer Region II.

There may be instances where teams compete in the MRL, but do not participate in another MYSA state run league. In the event these teams wish inclusion into MYSA state run leagues, the Competitive Committee will determine league placement. The team roster playing in MRL must match at least 75% of the MYSA league team roster or the club gives up their MYSA slot/status. Competing at the MRL level does not in itself dictate placement into the MYSA Premier Leagues.

6.0 INVITATIONAL TOURNAMENTS, FRIENDLY GAMES, AND TOURNAMENT TRAVEL

6.1 General Guidelines for Teams Participating in Invitational Tournaments

- a. MYSA teams must verify that the game or tournament is properly sanctioned by the host's National State Association before playing in any invitational soccer tournament or interstate friendly game. Playing in an unsanctioned tournament or interstate friendly game may result in sanctions imposed against the team and/or Member Club, including fines, suspension, and/or loss of Member Club.
- b. Invitational Tournament policies may differ from league policies.
 1. Please refer to the policies of the specific tournament for detail about the definition of competitive brackets and the eligibility of teams and players to compete in a bracket.
 2. The policies that define guest players on teams participating in invitational tournaments are often less restrictive than those that govern MYSA play-up players for league play. Premier players are restricted as to the teams on which they may guest.
 3. Players registered on an Adult team may not guest on any Youth team.
- c. Any MYSA team that willfully fails to compete in a game in any US Youth Soccer-sanctioned tournament is subject to sanctions by the Board of Directors. Sanctions may include probation and/or fines up to \$400.00.

For additional information on the procedures for sanctioning tournaments, refer to the *MYSA Invitational Tournament Handbook*.

6.2 Friendly Games

- a. All friendly games with teams from other national state associations must have advance written approval from MYSA seven days in advance using the *MYSA Application to Host a Game*.
- b. Friendly games among any teams registered with MYSA or Recreation or Recreation Plus teams whose players are registered with MYSA, do not need MYSA approval.
- c. Friendly games are distinguished from tournaments by the number of teams and the absence of awards and registration fees (although fees for referees and fields are allowed).

6.3. Tournament-Only Teams and Tournament Teams

- a. Under certain limited circumstances, teams may be organized expressly to compete in invitational tournaments. MYSA recognizes two tournament team categories.
- b. Tournament-only teams are comprised of players that do not compete in league play. These teams must adhere to the following requirements:
 1. Players must be registered with an MYSA Member Club and pay a player registration fee;
 2. Teams must be registered with an MYSA Member Club and submit a team registration fee;
 3. Registered competitive, recreation plus, or recreation players may play as guest players on a tournament-only team with permission of their coach.
 4. Tournament-only teams must reapply and pay the appropriate fees each soccer season. Fall, summer, and the off-season are considered separate soccer seasons.
 5. Tournament-only team passes must be delivered to MYSA before a player will be allowed to register for the next soccer season.
- c. Tournament teams may be organized specifically for (1) a tournament sanctioned by another National State Association or (2) international tournaments sanctioned by MYSA. The following procedures must be followed:

1. If the player is currently registered with MYSA or another US Youth Soccer team, the player must obtain permission from the player's regular team coach, via signature on the *MYSA Roster for International or Out-of-State Tournament Teams*;
2. If the player is not currently registered with MYSA, the player must obtain a member pass by following usual registration procedures through an MYSA Affiliate;
3. Only players listed on the MYSA tournament team roster and guest player form(s) that are submitted with the Travel Application to the MYSA will be insured during their participation in the tournament listed on the Travel Application.
4. In the event of a conflict between tournament team practice/meetings and MYSA league play, the MYSA league team takes precedence.

6.4 Travel to Invitational Tournaments Outside MYSA Jurisdiction

6.4.1 Application to Travel

- a. MYSA teams traveling outside the state of Minnesota (unless they are traveling to play in an MYSA sanctioned tournament) must submit a completed US Youth Soccer *Application for Travel* to the MYSA office. Once the travel permit has been approved by MYSA, it is returned to the traveling team for presentation to the host tournament director.
- b. Traveling with this permit guarantees the host state or country that the players are properly registered with USSF, are the appropriate age group, are covered by insurance, and that the team or its players are not under any disciplinary sanctions.
